The President's Message

A BIG thank you to goes out Ron Wilkinson from Edison, NJ, our second ASHRAE Distinguished Lecturer of the season who spoke to the membership at the March meeting. Ron gave an excellent overview on the history of building commissioning which is becoming an increasingly more important topic in our industry.

A special thank you also goes out to Carrier Corporation who traditionally sponsors our March "History" night. Once again Bill Walter was instrumental in making this happen for the chapter. Thank you Bill and thank you to Doubletree for doing a great job with the meal.

It's hard to believe there are only two more chapter meetings left during my tenure as chapter president. I'm pleased with the turnout year to date and look forward to two more solid meetings to round out the year. We still have two of our most important events coming up in June, the Clambake

and Research Promotion Golf Tournament. Check out Jim Walker's program schedule to pencil in your dates.

I'm excited about the April 9th meeting. We're going offsite for the first time in recent memory. Our meeting will be at the Wegmans in Dewitt to tour the facility and listen to a presentation from a Wegmans facility engineer. We have a great night planned for you.

We must give Wegmans an accurate headcount one week prior to the meeting. You must register by April 3rd. Meeting will start at 5:30 p.m. sharp. Use link below to register for the meeting. A full dinner will be provided by Wegmans right at the store. It is shaping up to be a great meeting and I'm looking forward to going offsite.

Historically Speaking

Our Central New York chapter has had 82 presidents in the time period of 1941 to 2008, as shown on the chart of presidents that follows. This includes chapter presidents of predecessor Societies ASHAE, ASHVE and ASRE as well as those who served as president of our ASHRAE chapter after the 1959 merger. Four of these CNY chapter presidents continued on and later served as a Society president: Carlyle Ashley (CNY 45-46) was president of ASRE Society in 1956, William McGrath (CNY 53-54) was president of ASHRAE Society in 1966-1967. Stanley Gilman (CNY Jan-May 1960) was president of ASHRAE Society in 1971-1972, and Bruno Morabito (CNY 62-63) was president of ASHRAE Society in 1977-1978.

The 1959-1961 period on the chart lists four presidents, which may seem unusual, but there was a reason: To facilitate the merger of the Central New York chapter of ASHAE and the Central New York Section of ASRE into the Central New York Chapter of ASHRAE in June 1959, a Joint Merger Planning Committee devised an officer progression plan that alternated members of ASRE and ASHAE as president during this two-year transition period. We're still here, so it must have worked.

Membership Update

The local CNY ASHRAE chapter would like to recognize three new members: Thomas W. Heeran, Megan F. Daniels and Dennis J. Burdick. Megan and Dennis join us as students from Potsdam and Utica, NY, respectively, and Thomas joins us from Bridgeport, NY. When you see Megan, Dennis and/or Thomas, please join me in extending them a warm ASHRAE welcome. If you or anyone that you know is interested in joining ASHRAE, please have them sign-up at www.ashrae.org. Or, if they would like to sign-up in person, the local chapter website (<http://centralnewyork.ashraechapters.org>) is a great place to find out meeting times and locations. Also, membership renewal is upon us, and www.ashrae.org is a great place to renew your membership electronically. Electronic membership renewal is fast and easy, and it supports ASHRAE's "green" efforts by reducing the amount of paper associated with the renewal process. As always, the Central New York chapter's goal is 100% compliance with ASHRAE policies and procedures. So let's complete the renewal process as quickly as possible.
