The President's Message

I really can not believe that this is going to be my last President's Message. Where has the year gone?

It has been a fantastic year and I would like to say thank you to the Board Of Governors for all their dedication and effort and especially the membership for all the support you give to the chapter.

On that note, I would like to acknowledge Dr. Lawrence our Distinguished Lecturer at last months meeting. Dr. Lawrence gave a interesting presentation on Standard 189.

Other guests in attendance were Illumination Engineering Society, which had a fantastic turn out for our meeting.

Our upcoming meeting will be at Syracuse University at Beesl (IAQ Lab). Dr. Zhang will be our host for that evening. A dinner with installation of officers will follow the tour which will be at the Dinosaur BBQ. Please remember to get your reservations in soon and pay pal is available for your convenience. Mr. Jack Gardner and his Students from St. Lawrence County BOCES will be our guests, so lets make them feel welcome.

I would like to say thank you to Jim Hart, our Student Activities Chair, who is preparing to hand out the remaining Student Scholarships. Don Middleton, our Membership Chair, has been actively working on our member retention and has had several new people sign up. Mark Yonnick, our Research and Promotion Chair, has done an excellent job in soliciting the membership in helping the chapter in attaining our goal. So please if you have not made your donation yet there is still time to make one.

It's that time of the year again, our Chapter will be hosting it's 67th Annual Clambake at Hinderwadt's on June 14, 2012 from 4-8. Also, the Chapter's Annual Golf Tournament at Foxfire will be on June 18, 2012. Informational flyers for both events will be included in this newsletter.

I want to thank each and everyone who assisted me as Chapter President this year. I hope to see everyone at the Clambake. Come and enjoy the afternoon!

Best Regards,
Steve C. Sill
President

ASHRAE's April Meeting

Research Promotion

As this is the last Chapter Newsletter for the 2011-2012 campaign, we ask you please consider your final donations on behalf of ASHRAE Research & Promotion. Any monetary donation is appreciated and is vital to the continued success of ASHRAE. Your donation qualifies for tax benefits as well. Please also pay special attention to the two upcoming events planned for the month of June. Our June 14th Clam Bake is legendary amongst Region 1 Chapters and is the work horse for our donation campaign. In addition, the June 18th Golf Tournament continues to be a popular escape from a day in the office while helping to serve the interest of our Chapter.

We look forward to seeing you at both events and encourage you to participate in the various planned raffles and fund-raising activities. We have included flyers in this newsletter for your reference as well. Finally, I'd like to thank the Chapter members and Board of Governors for allowing me to serve a second term as Research & Promotion Chair. It's been an enjoyable experience and I hope to serve as your Treasurer for the 2012 – 2013 campaign.

Thank you.
Mark Yonnick
Research & Promotion Chair

Upcoming Programs

Be sure to mark your calendars for these upcoming events!
Interesting tours, informative lectures, and networking opportunities.
