The President's Message

Yes, it is that time of the year again! We will be doing a few different things this year to hopefully bring our meeting attendance up. The first meeting this year will be on Monday, October 10th, Columbus Day, it will be a luncheon meeting at the Dinosaur Restaurant at 12:00, Noon.

On September 19th, Bill Walters and I attended The TACNY Expo and Banquet; we also had an informational table at the expo. It was well attended and we had a lot of inquiries from various participants and many local area schools.

Vice President, Mike Kingsley has put forth a good effort and has an excellent line-up of programs this year. The first will be presented by NYSEDA Business Partners which will include numerous area contractors, it should be a interesting program. If attending our first lunch meeting on October 10th please make reservations with Richard Kimball, our Hospitality Chair or you can use the Pay-Pal System. I look forward to seeing you there!!

Steve C. Sill
President

ASHRAE Monthly Meetings: Meeting Date is October 10.

Location: Dinosaur Bar-B-Que (upstairs room)
246 West Willow Street, Syracuse, NY 13202

Time: 12:00 Noon

Reservations: Rich Kimball 315.422.5200 or
rkimball@bergmannpc.com

We have a new website address: <http://www.cnyashrae.org>, this can be used to make reservations and chapter information.

Statements made in this publication are not expressions of the Society or of the chapter and may not be reproduced without special permission of the chapter.

Research Promotion

Welcome back from what was hopefully an enjoyable Summer vacation. As you know, thanks to generous donations from both individual and Corporate members CNY's ASHRAE Chapter successfully met last season's Donation goal of \$13,280.00. We were recently informed the same goal amount will apply for the 2011-2012 season so please consider your pledge for this year's effort. In addition, the RP Donation Thermometer will continue to be updated throughout the season and posted to our Chapter's web-site.

Per ASHRAE's request, we have scheduled two separate RP functions this year:

Wednesday, November 9, 2011

Research Promotion Donor Recognition Night - 2010-2011 Donors will be recognized by name and applicable certificates and/or pledge coins will be awarded. This will take place prior to the evening's Distinguished Lecture program.

Wednesday, April 11, 2012

Research Promotion Night - Donation updates for our individual Chapter and Region I's efforts will be shared as well as acknowledging individual donations made to date. ASHRAE RP pamphlets will also be made available for reference. Again, this will take place prior to the evening's Distinguished Lecture program.

As always, please feel free to contact me with any questions or comments and I look forward to seeing everyone at the monthly meetings.

— Mark Yonnick

In Memoriam, Derald Welles

Derald Grant Welles August 21, 2011 Derald Grant Welles, 75, of Liverpool, passed away peacefully on Sunday at Upstate University Hospital. He was born in Canisteo, NY and joined the U.S. Army upon graduation from high school, serving his country for three years in Tokyo, Japan. Derald was a graduate of Alfred State College and Tri State University, where he received his B.S.M.E. He and his wife moved around the country living in Nanuet, NY; Indianapolis, IN; Cleveland, OH; and Racine, WI; eventually making their home in Liverpool where they have resided for the past 30 years. He worked as national sales manager, traveling extensively for Steril-Aire of Burbank, CA until the end of June. He belonged to several professional organizations and had earned the lifetime award from ASHRAE, where he chaired numerous

committees. Derald is survived by his loving wife of 50 years, Barbara Welles; son, Daniel S. Welles of Seattle, WA; daughter and son-in-law, Sheri (Dave) Bogardus, and their daughters, Emily and Sydney all of Cincinnati, OH; and many friends who will miss his energy, enthusiasm, and positive outlook on life.

Technology Alliance of CNY – Awards Banquet

On Monday, September 19, Steve Sill and Bill Walter attended the Celebration of Technology Awards Banquet for the Technology Alliance of Central NY (TACNY) at the Holiday Inn in Liverpool, where we set up a table with information about ASHRAE and the CNY Chapter. The banquet was attended by over 200 people from the local community, including professional engineers and scientists, educators, college students, and high school students. Several people stopped to ask about ASHRAE and a few took membership applications.

The Keynote speaker was Deanne Bell, an engineer, carpenter, public speaker, and television personality known for PBS's Design Squad, which she co-hosted, and Discovery Channel's Smash Lab, in which she was a participant. She is now the co-host of DIY Network's Money Hunters and is appearing on ESPN's Rise Up. In addition to speaking at the TACNY Banquet, Deanne visited Lincoln Middle School, DS Ray Middle School, Cazenovia High School, and ESM High School to talk about careers in Engineering, reaching about 750 students.

TACNY is a non-profit organization that exists to enhance and facilitate the development, growth, and advancement of education, awareness and historical appreciation of technology within the Central New York Community. They also chair the Technical Societies Council (TSC), which is a "society of technical societies." The CNY Chapter is a member of the TSC and thus can post meeting announcements on the TACNY Web site.

TACNY also sponsors the Junior Café Scientifique, a free monthly lecture series covering science, engineering and technology topics for Central New York middle School Students, held monthly at the MOST.

TACNY membership is free and open to everyone. For more information, and to register as a member, visit their web site at www.tacny.org.

— Bill Walter
President-Elect

Hello, this is my first year as Student Activities Chair person for the CNY Chapter. I am just beginning my term and have a lot to learn, but with the help of the other board of governors it should be an easy process. We have sent all of the two and four year scholarship applications to the colleges for the students interested. We should be receiving the applications back for review by the scholarship committee within the next month. Once we receive these applications back, the committee will make its selections for this year's scholarship winners and we should be able to announce these winners at our November chapter meeting. We are trying to get the message out to these students so we can have more participation in our CNY Chapter. This is a great opportunity for our younger generation to attend our monthly meetings and learn things from and meet the elder members, as well as some of the guest speakers and building tours that the chapter offers through the winter months. If you know of any students that would like to be involved or apply for a scholarship please feel free to contact me with any questions or concerns.

Thank you,
Jim Hart
*Student Activities Chair
CNY Chapter*

NEW YORK STATE GREEN BUILDING CONFERENCE

10TH ANNUAL | 2012

A CALL FOR ABSTRACTS

Abstract Submission for Oral Presentations

The New York State Green Building Conference Abstract Selection Committee is currently seeking presentation proposals for the two day 10th Annual New York State Green Building Conference.

Presentations for the 2012 conference should fit into a 50 minute time slot with time for Q&A, and be applicable to one of the following four conference tracks:

- Green Building for Commercial Construction
- Green Building for Residential Construction
- Green Building Chemistry
- Deconstruction

Within these tracks is the potential for a variety of topics. Submissions could include topics such as energy retrofits, O&M, energy management, LEED, building ventilation, energy efficiency, building science, green materials, renewable energy, case studies, construction management for green buildings, or the costs of green building.

To see topics from last year's conference, please visit www.esf.edu/greenbuilding/2011/agenda.htm

New and innovative topics that meet the intent and purpose of this conference are highly encouraged.

State University of New York
College of Environmental Science and Forestry

New York Upstate
Chapter

March 29-30, 2012

**Oncenter Complex
Syracuse, NY**

www.nysgreenbuilding.org

**Presentation abstracts should be submitted
by October 21, 2011 to
abstractsubmission@nysgreenbuilding.org**

The schedule for selection of abstracts is as follows:

- Abstract submission deadline: **October 21, 2011**
- Notification of selected abstracts: **November 11, 2011**
- Signed presenter acceptance letters due to ESF Outreach: **December 16, 2011**
- Semi-final draft copy of presentations due to be reviewed for continuing education credits: **February 10, 2012**
- 10th Annual New York State Green Building Conference: **March 29-30, 2012**

If you have any questions about the conference, please contact Ms. Emily Gillis at elgillis@esf.edu or (315) 470-6817.

We look forward to seeing you in 2012!
